

Science and Engineering Student Association Code of Conduct

1. **Respect for Others:** All members of the association shall treat each other with respect and courtesy at all times. Discrimination, harassment, or bullying will not be tolerated and will result in disciplinary action.
2. **Responsible Drinking:** The association promotes responsible drinking and prohibits the consumption of alcohol by those under the legal drinking age or by anyone who is driving or operating machinery.
3. **Use of Facilities:** Members shall use the association's facilities in a responsible manner and shall comply with all rules and regulations pertaining to the use of such facilities.
4. **Property:** Members shall not damage or deface the association's property or the property of others. Any damage caused by a member shall be the responsibility of that member and may result in disciplinary action.
5. **Safety:** Members shall comply with all safety regulations and instructions, and shall report any unsafe conditions to the association's management.
6. **Legal Compliance:** Members shall comply with all applicable laws, regulations and policies and shall not engage in any activities that are illegal or in violation of the association's policies.
7. **Use of the Association's Name:** Members shall not use the association's name or logo without prior written consent from the association's board of directors.
8. **Privacy:** Members shall respect the privacy of other members and shall not disclose personal information without their consent.
9. **Social Media:** Members shall use discretion when posting on social media platforms and shall not post anything that is false, defamatory, or offensive to others.
10. **Violations:** Any violation of this Code of Conduct may result in disciplinary action, up to and including termination of membership.
11. **This Code of Conduct may be amended or updated by the association's board of directors as needed. All members are expected to comply with this code and the membership agreement at all times.**
